

Colossalcon's Next Top Model Competition

Rules for entry:

Age: Any Age

Audition video/photos: Send in a video OR photos w/bio and summary of why you should be Colossalcon's Next Top model! Be yourself: show us who you really are. Whether your whacky, dramatic, insane, or just straight up explosive, we want to see it! Tell us about who you are, what your hobbies are, your occupation, education, your motivations and inspirations. What is it about you that separates you from this rest of the con and the planet, and why you should be the icon of next year's Colossalcon?!

Notes: Video cannot be edited, only cropped. Videos must be anywhere from 3 to 7 minutes. Anything more or less will not be up for qualifying.

Photos must be family friendly. No nudes. Bikini is allowed, implied nudity isn't.

If you are doing the audition by photo, please submit ATLEAST 10 photos of you that are truly unique from each other. If they are all somewhat the same, you will not be put up for audition. PHOTOS DO NOT NEED TO BE PROFESSIONAL QUALITY.

If doing so by photos, you must submit ATLEAST a two paragraph essay explaining why you should be Colossalcon's Next Top Model.

Only the top 8 contestants will be chosen.

The Competition:

It will consist of THREE rounds.

Round 1: Sexy Cosplay Walk + Questionnaire: The first round will consist of you wearing whatever cosplay you choose. YOU WILL NOT BE JUDGED ON THE QUALITY OF YOUR COSPLAY, that is what the masquerade is for. You will moreso be judged on how you portray your cosplay in terms of walk, personality, and presentation. For example: If you are Princess Peach, everything from her elegant skip, to her famous key poses from the videos games, and from her facial expressions will be noted.

Also, you will be asked several questions. Be prepared to answer them as if you were in fact that character. For example: If you are Princess Peach, and you are asked "What do you look for in a man?", we of course expect you to make references towards Luigi, Mario, Bowser, people in Smash Bros., etc etc.

Round 2: Bikini/Swimwear/Summer Wear Walk + Talent Portion: The second round will consist of you wearing Summerwear. THIS IS NOT A COMPETITION TO SEE WHO CAN BE THE MOST NAKED. This is Colossalcon, it's a waterpark, it shouldn't be a surprise we would be interested in what Colossalcon's Icon would wear on her days to the beach, resort, hottub, etc. etc. At the end of your walk, you will asked to portray a small piece of your talent.

So if you play the flute, guitar, do bo staff, be ready to incorporate said materials into your walk. On another note, if you wish do dance, sing, etc. etc., be sure to send the MP3

file you want to use to hellokittyworld@hotmail.com already cropped and ready to go. There is no time for us to do the editing, so whatever file you give us, YOU cue us, and we press play.

We do expect you to notify us what talent you'll be portraying, so we will be prepared to assist you and make sure it's suitable for the competition. The Talent Portion should only be between 30secs to 1 minute long. So make it short and sweet!

Round 3: Fashion Walk + Questionnaire: The third and final round will consist of you wearing whatever it is that you want in terms of who you are. Whether it's another bikini, another cosplay, something normal to something crazy and unique, you may wear it. (Again, this is not a competition to see who can be the most nude).

At the end of this walk, you'll be ask one question, that of which you will answer to the best of your ability as yourself, not as whatever cosplay you may be wearing.

Judging: There will be three judges, and possibly a 4th surprise judge!

Judge 1: Originality – Is your personality, your aura, truly unique to the world? Or do you follow the standards and trends of the modern world today?

Judge 2: Execution – Are you full of confidence? Are you lacking in a certain field? Do you smile and give off the radiance of what would be expected to be Colossalcon's Next Top Model?

Judge 3: Overall - Will judge to the best of their non-biased opinion on your performance.

Possible Judge 4: Will be the one judge that will ignore all possible negatives of your performance and judge you solely based on positivity.

All judges will be based out of 10 points. That of which you will not know your score until the winner is announced!

This is a talent show of purely for the sake of media, there will be no negativity or downgrading on people. Just have fun, and make the best of it! It's Colossalcon!
